

Sing Harmony Now!

Learn to sing harmony by ear, the fun, fast, easy way!

About This Course:

If you can already sing some harmony, and want to become the kind of singer who can easily add harmony to any song, this course will show you how. You'll train your ear and voice to recognize musical phrases that are the building blocks of hundreds of songs, and you'll learn how to harmonize these phrases, whenever they occur, in any song in any key.

Since this course is all about singing, find a place where you are comfortable singing out loud, because you'll be learning by singing along with us. We've designed this course so that you can learn at your own pace and repeat each track until you are ready to move on.
